Mattapoisett Town News

TOWN FUNDS INVESTED

Town Treasurer Allen Sherman has placed \$200,000 in certificates of Deposits at 8 7/8% interest, and invested \$100,000.00 in Repurchase Agreements. These short term investments will allow the funds to be available when needed and accumulate interest in the interim.

ELECTED COUNTY ADVISOR

Chairman of the Board of Selectmen, Robert Silveira has been elected as Mattapoisett's representative on the County Advisory Board. This Board will review and make recommendations for the County budget.

CABLE TV CONFERENCE

Representatives of Marion, Wareham and Mattapoisett will meet at the Selectmen's Office at the Mattapoisett Town Hall on Wednesday, December 11th, at 7:30 P.M. to discuss the Cable TV agreement which has been assembled by the 3-town committee.

COASTAL ZONE MEETING POSTPONED

A meeting scheduled for December 19 involving the 4 coastal towns of Fairhaven, Marion, Mattapoisett and Wareham has been postponed until January 9 at 7:30. The purpose is to provide input to the Governor's State Coastal Management Task Force.

SALES PERMISSION

The Board of Selectmen has granted Dale Barrows permission to sell Christmas trees either at the IGA parking lot or the Mobil Station under the conditions that he must first receive permission from the property owners and must clean up the area before Christmas Eve.

THE ONLY 50,000 MILE GUARANTEE IN
THE INDUSTRY TODAY

THE MOBIL STEEL BELTED GUARANTEE Mobil Steel Belted Radial Tires are guaranteed to give 50,000 miles on the original read. Guarantee applicable only to original purchaser and to vehicle on which tires originally installed. Treadwear indicators must be clearly visible, and guarantee certificate registered with Mobil Oil Corporation must be presented.

This tire is also guaranteed against defects in materials, workmanship, or normal road hazards (such as blowouts or fabric breaks and cuts) which render tire unserviceable, and will be adjusted on tread depth unless Mobil determines defects can be safely repaired.

Tires used on taxicabs, police vehicles, pick-up trucks or other

commercially used vehicles, or if installed in size other than original equipment specifications, or that have irregular tread wear pattern due to mechanical conditions; or loss or damage caused by fire, theft, wreck, collision, running flat, cutting by chains, obstruction on vehicle, or any willful abuse, are excluded from this guarantee.

If a Mobil Steel Belted Radial fails under this guarantee, allowance will be made on the purchase of a new Steel Belted Radial Tire based on Mobil's printed "Pre-determined Price for Adjustment" current at the time of adjustment, which price is intended to fairly represent the actual selling price at the time of adjustment. Liability is limited to replacement of the Mobil Tire.

successfully concluded an effort to have the Mattapoisett Grange Hall placed on the National Register of Historic Places. This registration of the historic building will make it eligible for matching funds for restoration and preservation purposes as well as provide protection to maintain its authentic character for building and grounds. The Grange Hall has been deeded to the town when and if the Grange ever disbands and so will become a town owned historic place.

The Historical Commission has recently completed nine surveys of places within Mattapoisett of historic significance including Ned's Point Lighthouse, the Christian Church and Congregational Church and other landmarks.

Old Hammondtown Concert

The music and art departments at Old Hammondtown School will combine to present the annual Christmas Arts Festival on Thursday evening, December 19th, at 7:30 P.M. in the school auditorium.

The public is invited free of charge to an evening of fine music and a colorful display of holiday decorations.

The musical portion will feature the seventy piece concert band plus numerous smaller groups. Highlighted will be a twenty-three member show band, the brass quartet, woodwind choir, flute ensemble, trumpet solo, trombone choir and a Dixieland jazz band. Returning after a year's absence will be a fifth grade vocal group singing your holiday favorites.

All are hard at work preparing for this performance. We cordially invite you all to

BRIGHT IDEAS

by Sylvan Lumiere, GTE Sylvania
Lighting and Design Director

Color It Right

When you buy lights for your home, don't forget to consider the effect of light on the color combinations you choose. Colors do not look the same under electric light as they do under sunlight.

What kind of illumination is best for you?

Z Today, while incandescent is still the major light source in the home, fluorescent lighting is preferred in many instances. It produces up to five times as much light, using the same amount of electricity . . . yet lasts nine times longer. Also fluorescent light is soft and diffuse, with far less glare and shadow. GTE Sylvania has eight kinds of fluorescent bulbs. Choose the styles that will flatter your home:

Q Natural White has a delicate warm pink cast, emphasizing and accenting almost all colors and giving them a bright, clear, natural appearance.

Q White has a yellowish cast. Emphasizes yellows, yellow-greens, oranges. Good with tans, pinks, green. "Greys" blue tones. **Q** Warm White gives a beige cast, close to incandescent. Makes reds and yellows warm and bright, brings out the yellow in green, adds a warm tone to blue. **Q** Deluxe Warm White gives a warmer beige cast. Brightens and enriches reds and yellows. Deepens blues and greens. Blends well with incandescent.

Q Incandescent-Fluorescent has a pink cast, clarifies and brightens some reds, pinks and tans. Fairly flattering to complexions. Dulls yellows and "greys" greens closest to incandescent color.

Q Cool White has a blue-grey cast, blends well with natural daylight. This is used widely in business and industry.

Q Deluxe Cool White has an added red element that gives it a warm grey cast and improves rendition of reds. Shows almost all colors without distortion.

Q Daylight has a blue cast similar to the "north light" of natural daylight. It makes blues and greens bright and clear, "greys" reds, oranges and yellows. It's not recommended for use where personal appearance is important, because it has an unflattering effect on complexions.

Take this guide with you when you go shopping for fluorescent lamps, and avoid the "why-does-my-green-sofa-look-yellow" blues.

Children's Museum Events

CHILDREN'S MUSEUM NEWS

On Saturday, December 14, there will be a children's program entitled "Fun With Pine Cones for Christmas" at 2:30 P.M. at the Children's Museum on Russells Mills Road in Dartmouth. Mrs. Hooton G. Squire, formerly a kindergarten and nursery school teacher in Westport, will direct this Christmas craft program. Mrs. Squire will show the children how to make a pretty, sparkling wreath or an ornament for your Christmas tree or a gift for Mother or Dad. The Museum will furnish the materials - starting with treasures from the woods. Bring your children; they are sure to learn and have fun. Admission is free.

Children's Museum in Russells Mills will close for a winter recess on December 15 and will reopen on February 25. During the recess work will be done on the Museum interior: new exhibits, and cleaning, restoration, and cataloging of the Museum collections. The film and lecture series will reopen with a spring schedule beginning in

February. The children's program and Saturday field walks will resume in March and April respectively. Watch and listen to your local news media for the exact dates of the late winter and spring programs. The nature trails at Museum outdoors are available for walking any time of the year.

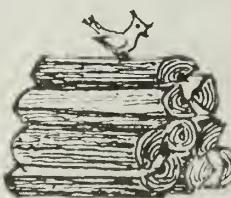

Recycling Report

"Don't waste your waste." This is the slogan of Brookline's recycling center. If anyone out there has any ideas for Mattapoisett's center, please get in touch with Judy Riley, 4551, or Mary Betts, 6456.

People today are cost conscious and they deplore the wastefulness of once-only use of perfectly good materials. Besides, it becomes more and more expensive for the town to collect and bury constantly increasing throwaways.

Do you want to help get Mattapoisett's recycling center started? Volunteer a little time and send a dollar for lumber to the Committee, c/o Judy Riley, Long Plain Road. There are many successful recycling centers throughout the State, all gotten underway by conscientious volunteers.

All proceeds from the shoot will be donated to the Greater New Bedford Unit of the American Cancer Society. This money will further the Unit's life-saving programs of research, education and service.

Once a year, this Club holds its monthly shoot for a charity. Shotgunners will compete from the 40-yard line and the Club will also hold a 22 caliber rifle shoot during these hours.

Participants may bring their own rifles or use those available at the Club. The Clubhouse will be open and will serve refreshments.

A representative from the Greater New Bedford Unit for the American Cancer Society will be present at the January Club meeting to accept the check.

Library News

The library's fall story hour program is over and the library staff wishes to thank all the volunteers who made this program such a success. Mary Lou Hoyt, Carlotta Shaw, Martha Osborne, Lorraine Seidl and Dawn Friedman were our story tellers with Dawn Friedman serving as our research person. Many thanks for the fine job!

The December revisions to the \$37,000 building project renovations as prepared by Labonte & Humphrey will be on display in the library starting December 11.

birth Classes will begin on Monday, January 6, at 7:30 P.M. at the Unitarian Memorial Church in Fairhaven for couples expecting babies in February, March and April. There will also be a new series beginning on Tuesday, January 7, at 7:00 P.M. at Tobey Hospital in Wareham where a BACE In-Service Workshop was conducted last summer to acquaint the maternity nursing staff with the principals and techniques taught in BACE Prepared Childbirth Classes. The eight-week series is sponsored by the Boston Association for Childbirth Education and is taught locally by a certified prepared childbirth instructor who has personally experienced husband-coached prepared childbirth. Although primary emphasis is placed on learning relaxation and breathing techniques to minimize discomfort during labor, discussion and films also cover such topics as anatomy and physiology, medication and anesthesia, breast feeding and infant care, and coping with the emotional aspects of pregnancy, childbirth, and postpartum. Classes are couple-oriented with specific preparation for the father as labor-coach and as the mother's chief support throughout childbirth. To insure informal and individualized instruction, enrollment is limited and early registration is encouraged. For more in-

The Betty Crocker "Search for Leadership in Family Living" test was administered to 32 students at Old Rochester Regional High School. Twenty-two girls and ten boys participated in the hour-long test of knowledge and attitudes about family life. Scholarship money for further education is available to the winners of this contest.

The Thirty-Eighth annual American Legion National High School Oratorical Contest is offered to all high school students. The objectives of this program are two-fold: to encourage students to expand upon their

Girl Scout Cookie Sale

Almost 100 adult members of Plymouth Bay Girl Scout Council, from all parts of South-eastern Massachusetts, met at the Red Coach Grille in Middleboro on December 6 to make final plans for the 1975 Girl Scout Cookie sale. Mrs. Anne LaPlante of Mattapoisett, who is chairman of the sale in the Greater New Bedford Area, was one of eight area chairmen who conferred with small groups of local chairmen on ways of helping Girl Scouts throughout the area plan and carry out their part in this annual fund-raising event.

The girls will take orders from January 10 to January 25.

Mrs. Allan Livingston of Swansea, Council chairman of the sale, announced a special blend of English breakfast tea, which combines with the traditional Girl Scout cookies to create the theme for this year's sale - "Have a Girl Scout tea party".

Mrs. Gerrit Sanford of Swansea, President of the Council, reminded the volunteer administrators that the current inflation increases the need for a successful sale. Last year 38.5% of the Council's income was supplied by the annual Girl Scout Cookie Sale as contrasted with 28% supplied by United Way allocations. Each participating Girl Scout troop also earns twenty cents from each box sold. This usually supplies about half of the funds needed to carry out the girl-planned program of the troop.

A portion of the funds necessary to provide Girl Scouting in this community is received from the United Way of Greater New Bedford, Inc.

Newport, Rhode Island, and written and directed by Southeastern Massachusetts University Theatre Director Angus Bailey, will be presented by the SMU Theatre Company on December 13, 14 and 15 at 8:00 P.M. in the SMU Auditorium.

The fast-paced plot involves the theft of the 38th known painting by the famous artist Vermeer from a mansion on Aquidneck Island.

Featured in the cast is professional actress Ruth Maynard. Her Broadway credits include roles in "Oliver", "The Best Man", "Rhinoceros", "The Lark", and "Romulus". She has appeared in the "Hotel Baltimore" with the Hartford Theatre Company, "Epitaph for George Dillon" and "American Hurrah" with the New Haven Long Wharf Theatre, and with the Washington, D.C. Theatre Club. On TV, she has played in "Studio One", "The Defenders", and various daytime dramas.

Angus Bailey, playwright and director of "Vermeer 38", authored "The Winter Palace" which toured the summer circuit starring Barbara Bel Geddes. He scripted, produced and directed two feature-length films: "Below the Hill", which was shown at the 1964

Junior and senior high school students meet on Wednesday from 3 to 5 P.M. in Art as a Part of Everyday Life to explore how art can become a more meaningful part of life, as a form of expression and communication leading to greater self-awareness. The group combines "talking" and "doing". Also, there are visits to local art shows and schools.

Girls in grades 6, 7 and 8 may engage in Sports for Girls on Thursdays or Fridays from 3:30 to 5:00 P.M., and learn how to play volleyball, basketball, ping pong and floor hockey. Teams will be formed for competition.

Call the YWCA, 999-6201, for registration and further details.

TOBEY HOSPITAL OPENS THE DOOR TO REHABILITATION FOR THE COMMUNITY

The Rehabilitation Department at Tobey, one of the most exciting places at the hospital, is aimed at helping patients to overcome handicaps they may have. Many different types of disorders are treated in the department, such as multiple sclerosis, orthopedic problems, the treatment of diseases and abnormalities of the musculoskeletal system, and traumatic injuries. Paralysis patients are also treated. Speech impairment due to stroke or birth defect is another field of treatment now being provided by the department.

The vast growth of the department during 1974 is in part due to the fact that these services are now open to the school sys-

tems and local nursing homes. Many of the doctors in the community have realized the great success of the Rehabilitation Program and have been referring their patients to the hospital for treatment.

Originally called the Physical Therapy Department, it was founded in September of 1972 by Dr. Raymond Baxter who felt a need for more help of this type in greater Wareham. Dr. Richard Atkins, the Medical Director of the department, was given assurance by the establishment of the Converse Family Fund which had aided in the set-up of the department.

After long efforts a competent registered physical therapist was found, namely, Michael George. Mr. George and the rest of his staff have brought the department to the standards it has reached to this day.

The therapists feel that the biggest fear the patient has when he comes through the door is how much pain he will have and will he ever be the same again. Another fear is the fear of the unknown. All patients undergoing therapy must be referred from a doctor who has treated the patient and confirmed the diagnosis.

According to Paula Carey, another physical

therapist on the team, the feelings toward the department and treatment are most favorable. No one wants to be incapacitated in any way for any time in his life and he is willing to achieve any type of goal that will get him to the point of normalcy once again. One very important fact that still remains is the question the patient often asks, "When will I function as a complete person again?" It is generally felt that the

truth should be told to the patient at all times. If he is misled or rushed he tends to become discouraged by the lack of progress that he is making.

A silent member of the staff is Margaret Mantineo who works as an aid and secretary for the therapists. Some of the work she does varies from keeping the whirl-pool in readiness for the patients requiring it, stacking the weights that are used in rebuilding the musculature

system of the body, and keeping important records for the department.

Patricia Green, an occupational and speech therapist, works a great deal with children. She finds one of the great rewards of her job is when a child speaks for the first time. Patricia has been working with many stroke patients as have all of the staff. Specifically, Miss Green teaches each patient how to function with his specific impairment.

The staff finds the most time-consuming part of the job is the evaluation that has to be done for each new patient. In order for a specific program to be set up for an individual, it is important to find the capacities of each patient and plan a program best suited to the patient's needs. They find that their greatest reward is seeing a person using his hand or legs all over again.
